POEM

The computer swallowed Grandma.
Yes, honestly it's true!
She pressed 'control and enter'
And disappeared from view.
It devoured her completely,
The thought just makes me squirm.
She must have caught a virus
Or been eaten by a worm.
I've searched through the recycle bin
And files of every kind;
I've even used the Internet,
But nothing did I find.
In desperation, I asked Mr. Google
My searches to refine.
The reply from him was negative,
Not a thing was found 'online.'
So, if inside your 'Inbox,'
My Grandma you should see,
Please 'Copy, Scan' and 'Paste' her,
And send her back to me.
This is a tribute to all the Grandmas & Grandpas,
Nannas & Pops, who have been fearless and learned
To use the computer.....

They are the greatest!!!

“CARS OF AUSTRALIA’ DAY - 26/1/2014

Report from Glyn & Christine Morris, Rainer Holdinghausen and Dave Bullivant.

To promote the day we went to the Barmera Riverland Field days for 2 days and set up shop with the trailer and marquee and handed out 1000+ posters. One visitor invited our club to visit his collection of Vintage and Veteran cars in the Riverland area, he has in excess of 350 vehicles in sheds, yes that's correct, 350 cars!

The Renmark Club were also there and they asked us to pass onto our members their delight and thanks for arranging for the lunch stop at Strathalbyn. They said it was one of the highlights of their trip and they look forward to the day we come to their District. They suggested that several clubs in the region should try to arrange an overnight function and stopover at Lammaroo or Pinnaroo. Plenty of accommodation and a central location for Clubs from Renmark, Coorong, Pinaroo, Strathalbyn etc.

We were also fortunate to negotiate a spot behind the Birdwood Motor Museum and the Bay to Birdwood day to promote the Australia Day event.

Are there any volunteers to help with Gate Keepers, parking etc on the day, please phone Glyn or Rainer.

Attached is a photo of the road train we have hired for the day.

Both Nursing Homes in Strathalbyn have been invited to attend the day, if they have a Community Bus that we can escort around the grounds on the day.

Collingrove Vintage Hill Climb

Several members went and enjoyed a great day, the highlight being that the Lincoln & Trailer, Bryan's Vauxhall, and Colin Hanks Hillman all went up the "Hill Climb". Dave Stewart's Jag was a competitor in the event and we took some good movies of the event which will be screened at our next meeting. I think it was the 1st time a trailer had been towed up the "Hill".
